REMARKS

The instant application has been allowed and a Notice of Allowance and Issue Fee Due dated October 24, 2007 has been issued.

A Notice to File Corrected Application Papers dated January 9, 2008 was issued. The Notice indicates that Figures 1, 2 and 4-8 of the application are deficient. In particular, Figures 1, 2 and 4-8 are obscured by an endorsement stamp and the labels for Figures 7 and 8 are cut off. Replacement drawings are required.

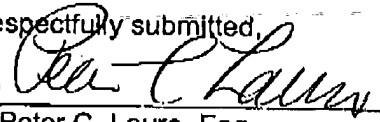

Accordingly, Applicants submit herewith corrected Figures 1, 2 and 4-8 and have amended the application to delete Figures 1, 2 and 4-8 that are currently pending and replace them with the corrected Figures 1, 2 and 4-8. Applicants note that the text of the figure legends has been removed in Figures 2 and 4-8 inasmuch as that text is already provided in the application at pages 19-22. No new matter has been added.

Applicants submit that all drawing deficiencies indicated in the Notice have been corrected and respectfully request that the patent application pass to issuance. If any issues remain with regard to the drawings, Applicants urge the Examiner to contact the undersigned at the telephone number indicated below.

Respectfully submitted,
